Profile Overview

Aspiring Full Stack Developer with a strong foundation in JavaScript and hands-on experience in building user-centric application. Passionate about problem-solving, continuous learning, and staying up to date with modern technologies. Eager to contribute to a dynamic team and grow in a professional development environment.

Education

- **SSC**, Bright School (2010-2020) – Vadodara
- **Diploma in Computer Engineering**, Parul Polytechnic Institute (2020-2023) – Vadodara
- **Bachelor of Technology in Computer Science & Engineering**, Parul Institute of Engineering and Technology (2023-2026) – Vadodara

Internships

UI/UX Designer, Xcite Education (Nov 2022- Feb 2023) – Remote

During my time as a UI/UX Designer, I had the pleasure of collaborating with diverse teams to create digital experiences that truly resonated with users. I started each project by diving deep into user research and usability testing—listening to feedback.

Zidio Development Full Stack Web Developer Intern (May 2025-July 2025) – Remote

Developed Full Stack Web Applications, Designed UI/UX for Applications worked on Backend as well as frontend technologies as a part of my Internship.
